Registration Checklist	
We need 5 things from you to process your application	
1.) On a separate page tell us, in 100 words or less, why you want to spend five weeks of your summer vacation studying and working hard to create theatre with us.	
2.) Use your creativity to produce something that articulates why participating in Summer on Stage is important to you. Use words if you like, or draw, paint, photograph, or make a short film, a piece of music. We don't mind how you choose to express yourself, just show us how brilliant and creative you are. The format is not important and should not be considered an audition or a showcase of talent, but should express in your chosen medium why Summer on Stage is important to you.	
3.) Completed Registration Form
